ABOUT THE SHOW

We are accepting applications for a variety of unique, hand-crafted items for Christmas on the Farm, an indoor craft show at our farm market in Poland, Ohio. Vendors can arrive and begin setting up as early as 6:30 AM and must be set up by 8:15 AM the morning of the show.

Spaces are 8'. An 8' table and two chairs will be provided. Vendors are responsible for their own display materials, including table covers (required). All displays must be presented on the provided tables; product and display materials must remain within the assigned space. Assigned space may be with table against the wall (seating next to your table) or a freestanding space (seating behind table). Space arrangements will be assigned by Molnar Farms and cannot be changed. Please ensure your plans for displays are flexible to either arrangement.

Electricity access is available at a limited number of spaces for an additional charge and must be requested in the application.

SELECTION PROCESS

To provide a fair environment for our vendors and the greatest selection for customers, the show will consist of a curated selection of unique vendors with specialty items from submitted applications. No direct sales representatives/independent consultants will be admitted as vendors.

Priority application deadline: October 3, 2018.

Applications received by October 3 will be reviewed and spots will be filled at this time. Notifications of acceptance will be made by October 15. Vendors not accepted at this time or vendors who apply after October 3 can be added to a list of reserve vendors should space become available.

PAYMENT

Cost for an 8' space is \$50. Electrical hookup is an additional \$10 (availability will be confirmed upon acceptance).

DO NOT SEND PAYMENT WITH APPLICATION. Notifications will be made after review. Payment for space is due within 10 days of notice of acceptance or space may be forfeited.
